**Excisions:** Excisions Recommended And Made

**Reasons for excisions:**

One excision is required to remove material which tends to promote and support the use of urine in association with sexual conduct under s3(2)(d) of the Films, Videos, and Publications Classification Act 1993. This excised material and one further excision are also required to remove sexual conduct of a highly degrading, dehumanising and demeaning nature, under sections 3(3)(a)(iii) and 3(3)(c). This conduct strongly degrades and dehumanises the women concerned, as they are reduced, or reduce themselves, to objects for male sexual arousal.
